What does Tacoma's new Rental Housing Code (effective 7/24/23) mean for renters and landlords?

What parts of the existing code would change if Tacoma for All's Tenant Bill of Rights (Initiative 2023-01) is approved by voters?

Wyatt Fisher, Staff Attorney with Tacomaprobono Community Lawyers Housing Justice Project, will guide participants through the new, proposed - and sometimes confusing - codes that govern rental housing in Tacoma.

This webinar is co-sponsored by Tacoma-Pierce County League of Women Voters, Tacomaprobono Community Lawyers and Tacoma-Pierce Coalition to End Homelessness.
