We Need Your Input

We are looking for residents in Pierce County to take the 2023-2024 Community Needs Assessment (CNA), which focuses on the capabilities of the community. The purpose of the CNA is to identify the needs of our community, how well we are meeting those needs, and what gaps currently exist. By taking this short, anonymous survey, you will help us determine the future of services and programs for the Tacoma-Pierce County area.
