

EXPANDED DETOXIFICATION SERVICES IN PIERCE COUNTY

MEETING THE SOARING DEMAND IN OUR COMMUNITY

In response to the growing need for withdrawal management services in Pierce County, MDC is proud to announce a groundbreaking expansion tailored to the residents of Tacoma!

The demand for detox service has surged in our community, prompting a larger commitment to ensure we meet the needs of the community. Over the past three years, MDC has consistently exceeded expectations, demonstrating high-quality care. Now, with the expansion of our facility, we are elevating our impact on the community.

CONTACT US FOR:

- Facilities with 32-bed units
- 24/7 admissions
- Referrals to local inpatient SUD treatment centers for continued care upon completion of detoxification
- Medication Assisted Treatments (MAT)
