Job Corps is a free vocational training for low-income individuals age 16-24 who face barriers to employment due lack of education and/or training. If you are interested in earning your high school diploma or GED, gaining certification in construction, health care, auto mechanics, business occupations, forestry, transportation or culinary arts as well as obtain your driver's license, then please be my guest at an information session where you can learn how to take advantage of this free opportunity.

Job Corps is an official partner of the Worksource – One Stop System
