

Pallet Manufacture Laborer:

Valeo Vocation is partnered with Girard Wood Products to fill multiple positions at two locations in Puyallup and Orting. There are Day shift positions open in Orting and Puyallup has both Day shift and Swing shift openings. Girard Wood Products builds new pallets, crates, and repairs pallets. Since Girard Wood Products opened the doors in 1961, our goal as remained the same: “provide a quality product at a fair price delivered on time.”

Responsibilities:

- Safety ALWAYS FIRST
- Quality of pallets and crates
- Quantity of pallets meet the standards
- Able to operate hand tools, like nail guns
- Prep/load/unload product that ship and receive

Qualifications:

- Must be able to stand for long periods of time
- Ability to lift 35-40lbs
- Excellent time management and attendance record
- Works well independently as well as in a team environment

Incentives:

- bonus program for employees exceeding daily quotas.
- Customer is looking to build workforce and retain valuable employees. Transportation is often a barrier for employees. They have established shuttle routes to alleviate this barrier.
- All Valeo employees have access to case management and supportive services to assist with employment barriers.
