

Lake Charles, Louisiana Hurricane Laura United Way, Donation SGG Roy's Mission

SSG Reuben Roy
New Orleans National
Guard/Melton
Truck Lines

Hello Community,

Donations needed to help the residents of Lake Charles, Louisiana who were devastated by the Hurricane Laura on August 27, 2020. Shortly after the devastation, Reuben Roy, a devout long-haul driver for Melton Trucking, reached out to Anne Artman, with a mission: to provide much needed supplies and support to Lakes Charles, Louisiana. Reuben, a life-long resident of New Orleans, Louisiana; explained with deep regret and compassion, during Hurricane Katrina, he was deployed to Afghanistan and felt helpless as his parents and family experienced the devastation without their eldest son. While traveling though the I-10 corridor, Reuben realized; Lake Charles had become the forgotten city. This was his opportunity to be present.

*Melton Truck Lines has agreed to send a truck to Tacoma, Washington where the Tacoma Recovery Center, Multicultural Child and Family Hope Center, Tacoma City and Pierce County Community have agreed to fill the semi-truck with donations. **Lake Charles has received limited support, which was witnessed by Melton Truck drivers and confirmed by their local United Way of Lake Charles.***

WE NEED YOUR HELP

**Collection Date: October 23 and 24, 2020
at the Tacoma Recovery Center
813 MLK Jr. Way, Tacoma, Wash 98405.**
